

# Fathering Today

**Fathers today** are asked to take part in their children's lives in new and meaningful ways. Often we are called on to re-imagine our roles as dads to parent gracefully and smoothly in unexpected situations. How to do this is always an important question.

## Presenters:

**Kim John Payne**, author of *Simplicity Parenting: Using the Extraordinary Power of Less*  
**Jack Petrash**, author of *Covering Home: Lessons on the Art of Fathering*
